## 2015 - 2016: The Top Ten in Each Grade in WA

*I am doing this the same as last the few years. In the past, to reach anywhere on these pages, players had to be a Washington resident and play a minimum of 15 NWSRS rated games last season, without exception. However, several years ago I decided to honor those players who are highly rated, but for whatever reason, did not play the minimum of 15 games in the system. I am following that practice again this year. I still show the Top 10 as the players who have met the requirement, but show other Washington players who had the rating to qualify, but not the 15 games. However, I am no longer including players on the list who have less than 15 lifetime games in the NWSRS, even if their USCF rating would otherwise qualify them for the list. (Total Games) = career games. (Games Year) = games played in 2014-2015 season. (Ratings for this list were closed September 6, 2015.)*

***Congratulations to the fine young players who made this list! We honor you. And congratulations to the many others who missed the list narrowly, and the many, many others who competed last year in this great game we all enjoy!***

*THIS IS A FULLY RESET LISTING FOR 2014-2015 done in preparation for the 2015-2016 season. ALL PLAYERS ARE LISTED WITH THEIR NEW 2015-2016 GRADES. There may be some kindergartners who started competitive chess as pre-schoolers whose grades need to be reset back to kindergarten. Please communicate with Kirk Winges concerning any issues with grade coding (kirk.winges@gmail.com). Also provide any school changes, grade changes or updated/new USCF information to Kirk.*

\*Note: all students coded as kindergarten last year were automatically advanced to first grade by the rating system. Accordingly, this first grade list may include some students that will ultimately be re-coded to kindergarten because they were actually pre-kindergarten last year. The WSRS makes no distinction between kindergarten and pre-kindergarten students.

### NWSRS RATING SYSTEM STATS AND ACTIVITY

At the end of last season we had reached 25,495 players, considerably higher than last year's 22,970. This September the Northwest Scholastic Rating System was reset as follows: (1) Graduated seniors were advanced to "adult" status. (2) All grades were advanced one level. (3) The "this year" games field was emptied. All USCF ratings were updated on September 6, 2015. For the last two years I tried something different and did not remove any "inactive" players. My reason was that we had several instances the previous year with players coming back after being inactive and removed and it has caused problems with duplicate IDs. I am continuing testing this and may decide to do something different at the end of next season.

We start the new season with 25,495 rated scholastic and adult players, 7,590 in grades K-6, 10,543 in grades 7-12 and 7,362 adults. This past year we rated over 560 events and 40,000 games. This reflects a decrease in the activity from last year when we rated over 620 events and over 44,000 games.

After many years of dedicated service, Amy Coughlin has stepped down from her role as the ratings coordinator for all events in Oregon. Pressures from her new business made it very difficult for her to continue with the high level of effort she always put into the NWSRS. She will be missed, but I have taken over the responsibilities for rating Oregon events.

Please note that this list is NO LONGER the basis for the Intermat selection team. Please contact Elliot Neff [ceo@chess4life.com](mailto:ceo@chess4life.com) for all matters pertaining to the Intermat.
